PROFESSIONAL SUMMARY

Motivated Software Developer with hands-on experience in building web applications using Django and React. Strong foundation in backend development, database management, and debugging. Passionate about developing scalable solutions and continuously learning modern technologies including cloud computing and AI.

SKILLS

Programming Languages : Python, C, JavaScript

Frameworks & Libraries : Django, React

Databases : MySQL

Tools & Platforms : GitHub, VS Code, PyCharm, Jupyter Notebook

Concepts : REST APIs, Full-Stack Development, Debugging, Cloud Basics

Soft Skills : Problem Solving, Team Collaboration, Communication, Adaptability

PROJECTS

Smart Study Planner

- Designed and developed a study planning system to manage subjects, topics, and deadlines
 - Implemented CRUD operations using Django REST Framework for efficient data handling
 - Built responsive user interfaces with React for tracking progress and task status
 - Enabled users to monitor study completion through structured dashboards and status updates
-

INTERNSHIP EXPERIENCE

Full Stack Developer Intern

ONETEAM EDTECH PVT LTD, KOCHI | Sep 2025 – May 2026

- Developed and maintained full-stack applications using Django and React
- Designed backend logic and managed databases efficiently
- Debugged and resolved application issues to improve system performance

Cloud Computing Intern

ROOMAN TECHNOLOGIES | Sep 2024 – April 2025

- Learned cloud application deployment and management concepts
 - Worked on uploading, scaling, monitoring, and maintaining applications in a cloud environment
-

EDUCATION

Bachelor of Engineering (B.E)

(2021 – 2025)

Shree Devi Institute of Technology, Mangaluru

CGPA: 8.5
